KIDS MENU

Famous for its sunsets . . . its splashing blue waters . . . its history . . . and its ever-so-popular laid-back attitude, Key West is also known for its perfectly spiced food, smooth, cool cocktails and fun! A magical combination of Spanish, Cuban and Calusa Indian influence is present in both the tropical surroundings and unique flavors in the restaurants of the Keys. In all our dishes, you'll notice that the taste is a little richer, a little deeper and if you've ever been there, the same flavor you enjoyed so much in the Keys. So sit back, relax and enjoy . . .
